#IMC2022 UPDATES

Sessions Online

The process of collecting session proposals and merging similar ones was completed recently. Overall, **72 focus and 6 plenary sessions** are now online - the most recent [proposal on elevation dependent warming](#) added yesterday. **This yields the potential for a very comprehensive mountain conference in September 2022!** Abstract submission to [#IMC2022](#) and [#S4SSS](#) will start soon and as always, we are very thankful for broadcasting these opportunities in your networks!

Merry Christmas and all the best for 2022

For Christmas holidays that will start in many countries soon the Scientific Committee wishes you a pleasant time with family and friends! We also wish you all the best for 2022, particularly health, and hope to have the chance to meet many of you in person (again)! We will do our best to be well prepared ;-)

FEEDBACK APPRECIATED

You found some mistakes? Have some improvements for us? Something is unclear?
Please send us your feedback!
